REMARKS/ARGUMENTS

A Notice to File Corrected Application Papers (Notice of Allowance Mailed) was mailed on June 7, 2011. In the Notice, the Examiner objected to the drawings under 37 CFR §1.121 and required correction. More particularly, the Examiner indicated that all figure labels seemed to be in a foreign language.

Applicant has amended all labels for Figures 1-13 to be in the English language. No new matter is introduced into the Application as a result of these changes to Figures 1-13.

Applicant believes that all of the informalities addressed by the Notice to File Corrected Application Papers (Notice of Allowance Mailed) have been attended to and reconsideration of the Examiner's objection to the drawings and introduction of the new corrected drawings into the application is requested. Also, Applicant respectfully requests entry of this amendment under 37 C.F.R. §1.312, without withdrawing the application from issue.

If a telephone conference would be of assistance in advancing prosecution of the above-identified application, Applicant's undersigned Attorney invites the Examiner to telephone him at **215-979-1255**.

Respectfully Submitted,

Date: July 5, 2011
